

SUMMARY

Frontend developer skilled in building web applications with React.js. Passionate about creating high-performance, user-friendly interfaces and continuously learning modern web technologies. Strong problem-solving abilities and a proactive approach to technical challenges.

PROJECTS

MALOS FLIX - Movie Database Web App

<https://malos-flix.vercel.app/>

- Developed a **dynamic movie database application** that fetches and displays movie, series, and anime data using the **OMDB API**. Designed an intuitive **user-friendly UI** with **Tailwind CSS** and implemented **dynamic recommendations** based on user searches. Deployed the application on **Vercel** for accessibility.

EXPERIENCE

Senior Front End Developer Assistant11/2022 - 07/2024

Inspire Works DesignMuhanga, Rwanda

- Frontend developer with experience teaching web development at Inspire Works Design.
- Skilled in React.js, with a focus on building high-performance web applications.
- Experienced in mentoring and guiding students in coding best practices, debugging, and problem-solving.
- Passionate about breaking down complex concepts into easy-to-understand lessons.
- Mentored junior developers in front end technologies, improving team skills and project delivery speed by 40%.
- Strong communicator with a proactive approach to learning, teaching, and technical innovation.
